This study has been approved by the UCL Research Ethics Committee: Project ID number: CEHP/2024/596

Thank you for considering taking part in this research. The person organising the research must explain the project to you before you agree to take part. If you have any questions arising from the Information Sheet or explanation already given to you, please ask the researcher before you decide whether to join in. You will be given a copy of this Consent Form to keep and refer to at any time.

I confirm that I understand that by ticking/initialling each box below I am consenting to this element of the study. I understand that it will be assumed that unticked/initialled boxes means that I DO NOT consent to that part of the study. I understand that by not giving consent for any one element that I may be deemed ineligible for the study.

1.	I confirm that I have read and understood the Information Sheet for the above study. I have had an opportunity to consider the information and what will be expected of me. I have also had the opportunity to ask questions which have been answered to my satisfaction.	
2.	I understand that my participation is voluntary and that I am free to withdraw at any time without giving a reason, without the care I receive or my legal rights being affected.	
3.	I understand that I will be able to withdraw my anonymous data at any point in time up until the publication of this data, and withdraw my personal information at any point without requiring a reason. I understand that if I decide to withdraw: - Any personal data I have provided up to that point will be deleted unless I agree otherwise. - Any published or pre-print (anonymous) data will remain available and open-access.	
4.	I consent to participate in the study. I understand that my personal information (name, email address, gender, and date of birth) will be used for the purposes explained to me. I understand that according to data protection legislation, public task will be the lawful basis for processing.	
5.	Use of the information I understand that all personal information will remain confidential and that all efforts will be made to ensure I cannot be identified (personal information that can be used to identify my data will be protected and only accessible to researchers on the study, and stored for up to 10 years after the completion of the project).	
6.	I understand that the data gathered in this study will be stored pseudonymously and securely. It	

	will be assigned a coded designation that will deprive the collected data of any connection to my identity. It will not be possible to identify me in any publications or scientific communication, where this data will be presented anonymously.	
7.	I understand the potential risks of participating and the support that will be available to me should I become distressed during the course of the research.	
8.	I understand that the data will not be made available to any commercial organisations but is solely the responsibility of the researcher(s) undertaking this study.	
9.	I understand that I will not benefit financially from this study or from any possible outcome it may result in in the future.	
10.	I understand that I will be compensated for the portion of time spent in the study, with additional compensation based on my performance, and will still be fully compensated if I later choose to withdraw.	
11.	I agree that my pseudonymised research data may be used by others for future research. Only researchers undertaking the current study will be able to identify me from this data, and no one will be able to identify me from any published data. *Note, not agreeing to this will not preclude you from taking part in this study	
12.	I hereby confirm that I understand the inclusion criteria as detailed in the Information Sheet and explained to me by the researcher.	
13.	I hereby confirm that: (a) I understand the exclusion criteria as detailed in the Information Sheet and explained to me by the researcher; and (b) I do not fall under the exclusion criteria.	
14.	I am aware of who I should contact if I wish to lodge a complaint.	
15.	I voluntarily agree to take part in this study.	
16.	Use of information for this project and beyond: I agree that my personal information (name, date of birth, gender, and email) will be stored securely in on UCL's Data Safe Haven, for up to 10 years after the completion of this study, and that only study researchers will be able to associate my person information with my data. I am aware that no personal information will be included in any publication resulting from this study or otherwise. I would be happy for the data I provide to be securely archived at UCL until project completion. I understand that other authenticated researchers working on this study at UCL will have access to my pseudonymised data.	

If you would like your contact details to be retained so that you can be contacted in the future by UCL researchers who would like to invite you to participate in follow up studies to this project, or in future studies of a similar nature, please tick the appropriate box below.
